

Welcome Families with Children!

We love having children at church and hope you will feel at home.

We have a long history of Sunday School at St. John's and want to make sure we welcome you anytime.

Due to Covid and a smaller group of children currently, we are providing Sunday School on a schedule that works for them. If you are here on a Sunday School day, please join. The children usually leave after the first hymn and go back to rooms to the east end of the building.

In the meantime, **please take one of the activity books and at the entrance to the church, for your children to enjoy.** It is our gift to you so please take it home if you like.

There is a small nursery/playroom with toys in the social suite that is found beyond the exit doors to the left and right of the front of the church. Please feel free to take your children out at any time in the service and listen to the service on a speaker in that room. If you ask someone they will be happy to show you where to go. Please don't rush to do that, as we used to little voices in the service.

Other Children's activities

We have a great group of children and during covid, we met a lot online, participated in outdoor events, even held a bake sale fundraiser. We are currently finding ways to address the needs of each of our children and young adults outside of Sunday School as they grow up. If you are interested in finding out more, including our scheduled dates for Sunday School, please talk to our Minister, Maureen Walter 416-500-1574, or other parents you might see at church. We have extensive Sunday School materials at the ready.
